Montini Catholic High School *Touching Hearts Since 1966.*

May 5, 2022

Dear Montini Catholic Parents,

As we near the end of the 2021-22 school year I am writing to you to provide you information concerning tuition and fees for the 2022-23 school year. Every year, our goal in preparing the school budget is to provide our students with an excellent learning environment, a wide variety of extracurricular and spiritual opportunities, and top-notch facilities, all while keeping our tuition increase at a reasonable rate for our families. After much discussion, the members of our administrative team and Finance Committee of the Board of Directors formulated a 2022-23 school year budget that was approved by the Montini Catholic Board of Directors on Thursday, April 28, 2022, addressing the following goals:

- to maintain small class size
- to provide our teachers with a fair and just salary increase and reasonable health benefits
- to continue to provide our students with a wide variety of extracurricular and spiritual opportunities
- to continue to improve and upgrade instructional technology
- to proceed with scheduled repairs and improvements to campus facilities

We have been able to address our goals in the upcoming school year budget with a tuition increase of 3.1%. The tuition increase for the 2022-2023 school year will be \$415, bringing our base tuition to \$13,625.

The annual student fees for the upcoming school year will increase by \$20. The schedule of student fees for the 2022-2023 school year is included with this mailing. You will receive an invoice in May for the annual student fees, with payment due by June 15, 2022.

In addition, the \$100 minimum fundraising requirement for each family will remain in place for the 2022-2023 school year. More information on how a family can meet the minimum fund-raising requirement will be provided in August.

For those families that applied for Montini Catholic financial aid, notification of financial aid for the 2022-23 school year will be emailed to families beginning the week of May 9th.

Thank you very much for all of your support, patience and generosity over this past school year. I hope that you will have an enjoyable and relaxing summer. We are looking forward to seeing our students again on campus on August 16th as we begin the 2022-23 school year.

Sincerely,

James F. Segredo
President
